HACKNEY CARRIAGE FARES IN EDINBURGH.

61. The distance to which the owner or driver of a hackney carriage shall be bound to drive the same under these bye-laws is hereby fixed at eight miles from the Cross of Edinburgh, and the driver of a hackney carriage shall not at any time convey more than five adults in or on such carriage.

I.—FARES FOR HACKNEY CARRIAGES NOT FITTED WITH TAXIMETERS.

HORSE-DRAWN HACKNEY CARRIAGES:

FARES BY DISTANCE.

62. (1) The fares to be paid for the use of a hackney carriage not fitted with a taximeter under these bye-laws shall be fifty per cent. more than as shown in the annexed Table of Fares. The fares specified shall include ten minutes' waiting before starting, but if the carriage be detained before starting more than ten minutes a charge for waiting at the rate of 6d. for each quarter of an hour or part thereof after the expiry of the ten minutes shall be allowed. A charge of 6d. for every mile or part thereof shall be allowed for going to lift the party hiring, but this shall not apply to a carriage only called across the street from a stance.

(2) The fare for such hackney carriage hired from any place for which a waiting rank is appointed under these orders and bye-laws, or where on any occasion a temporary waiting rank is formed, shall be reckoned as from the nearest stance, when the same is within half a mile, otherwise the fare shall be computed according to section (6) of this bye-law.

(3) There shall be no charge for waiting while such hackney carriage is on the way to a destination unless the waiting before starting and the

waiting by the way exceeds in all ten minutes, and when such waiting exceeds ten minutes it shall be charged for in terms of section (1) of this bye-law. There shall be no charge for a short deviation from the direct route.

(4) The fare to any place not mentioned in the Table shall be the same as to any place mentioned therein which is in the immediate vicinity.

(5) In the event of any new stance being appointed during the currency of these regulations, the fares from said new stance shall be the same as from the stance nearest to it, when the same is within half a mile.

(6) When the fare to any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the fare for such hackney carriages for any distance not exceeding a mile and a quarter shall be as follows, viz. :—

For any number of passengers not exceeding four	1s. 6d.
For every additional half mile or part thereof	9d.

For five passengers an extra 6d. shall be added to the total fare.

(7) When the party returns only half fare shall be payable, and the carriage shall wait ten minutes without any charge for waiting: if the carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every quarter of an hour or part thereof, commencing when the free waiting expires.

(8) When such hackney carriage is called but not used, a charge of 6d. shall be allowed if the place to which it is called be under half a mile from the stance or stable, and 1s. if beyond that distance. Waiting shall be charged for as under section (1) of this bye-law.

(9) On Sundays, for any such hackney carriage hired from a stable or elsewhere than on the public streets or stances in the city an extra charge of 1s. shall be payable in addition to any charge for going to lift under section (1) of this bye-law.

HORSE DRAWN HACKNEY CARRIAGES:

FARES BY TIME.

63. (1) The hirer may engage a hackney carriage not fitted with a taximeter by time when the same is to be used within the municipal bounds, for SHOPPING, MAKING CALLS, and the like, where the driving is not continuous, and does not exceed two-thirds of the time during which the carriage may be engaged. The fare in such a case shall be 4s. for the first hour or part thereof for any number of passengers not exceeding four, and 1s. for every additional fifteen minutes or part thereof. When five passengers are driven 6d. extra shall be allowed on the total fare. When the carriage is discharged at a greater distance than a mile from the point where the same was engaged, a charge shall be allowed for returning thereto at the rate of half the distance fare.

(2) For an AIRING into the country within five miles from the Cross of Edinburgh, and returning, or for continuous driving within the municipal bounds, in such hackney carriage, the fare shall be 6s. for the first hour or part thereof, and 1s. 6d. for every additional quarter of an hour or part thereof. Unless the hirer wishes a slower pace, the rate of driving when a carriage is engaged by time shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare at the rate of 6s. for the first six miles so travelled and 1s. for each mile thereafter. The above rate is for four passengers. When five passengers are driven 6d. extra shall be added to the total fare.

(3) Notice of the intention to hire by time must be given by the hirer at the commencement of the engagement, otherwise the fare shall be charged by distance. A charge of 6d. for every mile or part thereof shall be allowed for going to lift the party hiring, but this shall not apply to a carriage only called across the street from a stance. On Sundays for any such hackney carriage hired from a stable or elsewhere than on the public streets or stances in the city an additional charge of 1s. shall be payable.

FARE AND HALF.

64. There shall be no additional charge when two horses are used by the owner without being required to do so; but if two horses be used at the request of a hirer, the charge shall be fare and a half.

LUGGAGE.

65. The hirer of a hackney carriage shall not be charged for luggage under 100 lbs. in weight, but where it exceeds that weight a charge of 6d. shall be allowed, and in no case shall a driver be bound to convey more than 1 cwt. of luggage. A charge of 6d. shall be allowed for the carriage of a bicycle, mail-cart, or perambulator. The driver shall assist in loading and unloading luggage in all cases when required, but shall not be compelled to leave the immediate proximity of his hackney carriage in doing so.

II.—FARES FOR HACKNEY CARRIAGES FITTED WITH TAXIMETERS.

MOTOR HACKNEY CARRIAGES.

66. The fare to be paid by any number of passengers not exceeding four for the use of a motor hackney carriage fitted with a taximeter recording the fare by time or distance or by a combination thereof shall be as follows, viz. :—

For a distance not exceeding one mile, or for a period of time not exceeding twenty minutes	1s. 6d.
For every additional eighth of a mile or part thereof, or for an additional period of time not exceeding two and a half minutes	2d.

67. No fare shall be payable for the return of a motor hackney carriage from the place at which it is discharged

EXTRAS.

68. In addition to the above the following charges shall be payable :—

For a fifth passenger	6d.
Luggage—	
For each bicycle, mail-cart, or perambulator	6d.
For each package carried outside . .	2d.

On Sundays, for any such hackney carriage hire from a garage or elsewhere than on the public streets or stances in the city an extra charge of 1s. shall be payable.

70 When a hackney carriage fitted with a taximeter is called but not used the hirer shall pay to the driver 6d. if the place to which he has been called is under half a mile from the stance or garage, and if beyond this distance he shall pay the fare recorded on the taximeter.

71. The driver of a hackney carriage fitted with a taximeter shall, as soon as he is hired, and no sooner, set the taximeter in motion. He shall, while engaged, have the flag of his taximeter lowered to the " hired " position, and immediately upon the termination of the hiring he shall stop the taximeter, but shall not remove the fare record from the disc thereof until the hirer has examined or has had an opportunity of examining the same.

72. In the event of the mechanism of the carriage breaking down, or in any way becoming unfit to convey the hirer to the destination for which the carriage is engaged, the driver shall not be entitled to charge any fare for the distance already travelled, provided that, should the hirer elect to wait until repairs are completed, the full fare recorded on the completion of the journey shall be exigible, less the amount of fare chargeable for waiting in accordance with the rate for waiting fixed under these bye-laws.

73. Should the taximeter record a fare which is obviously not in accordance with the distance travelled, or should the taximeter stop recording during a journey, the fare in case of dispute shall be ascertained by measurement by the Hackney Carriage Inspector.

GENERAL.

74. In all cases two children over six and under twelve years of age shall be reckoned as one adult; but no additional charge shall be made for one such child, or for a child under six years of age.

When payment of the fare is withheld, the party withholding must give the driver his full name and address.

NOTE.—Complaints for breaches of the foregoing Bye-Laws should be made to the Chief Constable's Office, Police Chambers, as early as possible. The number of the carriage should always be quoted.

---

* Standard Rate.

Landlords in Scotland are entitled (either by abatement or by repayment) to a deduction from Sched A assessment in respect of such rates, taxes, assessments, and public burdens, as may be charged upon them and not charged upon landlords in England.

In the case of an assessment on lands (inclusive of the farmhouse and farm buildings), under Sched. A the assessment is to be reduced by one-eighth part; and in the case of houses or buildings distinct from farms, the assessment is to be reduced—

(*a*) where the amount of the assessment does not exceed £40, by a sum equal to one-fourth;

(*b*) where the amount of the assessment exceeds £40 and does not exceed £100, by a sum equal to one-fifth; and

(*c*) where the amount of the assessment exceeds £100 by £20, together with a sum equal to one-sixth part of the amount by which the assessment exceeds £100. Where the tenant is occupier and has undertaken to bear the cost of repairs, the assessment is reduced by such a sum not exceeding the amount of the authorised reduction as may be necessary to reduce the amount of the assessment to the amount of rent payable by him.

Occupiers of lands for the purposes of husbandry only are entitled, on proof to the satisfaction of the commissioners, to an abatement of Sched. B duty proportionate to the deficiency of their profits or gains.

Person sustaining loss in any trade or profession carried on by him, either solely or in partnership, or in farming of lands, may, on application to the commissioners through the district surveyor of taxes within six months after the year of assessment, obtain repayment of so much of the Income Tax actually paid on his aggregate income as represents the tax on income equal to his loss.

No allowance in respect of earned income, and no deductions from assessable income shall be given or made, and income tax on the first £135 of the taxable income shall not be chargeable at the reduced rate, and no relief shall be given in respect of Insurance premiums in the case of any individual who is not resident in the United Kingdom, provided that this provision shall not apply in the case of any individual who satisfies the Commissioners of Inland Revenue that he or she

(*a*) is a British subject; or

(*b*) is a person who is, or has been, employed in the service of the Crown, or who is employed in the service of any missionary society or in the service of any native State under the protection of His Majesty; or

(*c*) is resident in the Isle of Man or the Channel Islands; or

(*d*) has previously resided within the United Kingdom and is resident abroad for the sake of his or her health, or the health of a member of his or her family resident with him or her; or

(*e*) is a widow whose late husband was in the services of the Crown.

So, however, that no such allowance, deduction, reduction of rate, or relief as aforesaid, shall be given so as to reduce the amount of the income tax payable by that individual below an amount which bears the same proportion to the amount which would be payable by him by way of tax if the tax were chargeable on his total income from all sources, including income which is not subject to income tax charged in the United Kingdom as the amount of the income subject to income tax so charged bears to the amount of his total income from all sources.

Husband and wife have right to claim relief separately, but the income of both are to be aggregated in estimating the amount to be repaid or allowed in respect of the allowances or deductions.

Earned Income.

Earned income is derived from active carrying on of trades, professions, and employments, and from certain pensions paid by an employer. Interest, dividends, rents, and such like are not earned income.

Employers are bound to give statements of all sums paid to employees.

Every person is liable to a penalty for failure to make a return of his income when required, whatever his income may be.

Appeals for repayment on account of diminished income are generally restricted to new business not over three years set up at beginning of the year of taxation, and to businesses ceased. In the latter case repayment for three years may be claimed if assessments exceeded total profits.

Allowances for wear and tear not made in one year may in certain cases be claimed in the following year.

A clergyman paying rent for his house may be allowed at most one-eighth of the rent for rooms used mainly and substantially for the purposes of his duty. Where clergyman is in the occupation of a dwelling-house but pays no rent, he shall be deemed to pay a rent equal to the annual value of the dwelling-house as assessed to income tax under Schedule A. Annual value may be treated as earned income of clergyman.

The time for penalties and increase of assessments is extended to three years.

A firm is assessable in one sum for all profits, but the allowances to an individual may be claimed by a partner for himself and allowed for him to the firm.

Weekly Wage Earners.

Weekly wage earners are assessable to and chargeable with income tax in respect of their wages in each half of the year instead of in the whole year. Weekly wage earners are those persons who are employed by way of manual labour and who receive wages which are calculated by reference to the hour, day, week, or any period less than a month at whatever intervals the wages may be paid, or who receive wages however calculated which are paid daily, weekly, or at any less intervals than a month. This part, however, does not apply to persons employed as clerks, typists, draftsmen, or any other similar capacity.

DEDUCTION OF INCOME TAX.

1. Dividends and interest from the public funds, foreign loans, foreign or colonial companies, interest of money borrowed on the security of rates, and official salaries and pensions, are subject to deduction of Income Tax at the rate in force at the date of payment.

2. Mortgage interest, feu-duties, and ground annuals are subject to deduction of Income Tax at the rate or rates in force during the period in which they have been accruing due.

Note.—No. 2 forms a guide for the deduction of Income Tax from dividends or interests payable out of the profits or gains of public companies in the United Kingdom.

§ 34 of the Finance (No. 2) Act, 1915, provides that deductions in respect of income tax under Schedule A on lands and heritages in Scotland made from any rent, interest, or payment due for the period ending on the 15th day of May shall be made at the rate of the tax in force at the commencement of that period.

A tenant who pays the tax in respect of the rent payable to the landlord shall be entitled on production of the receipt for the payment of the tax to deduct and retain the amount of the tax out of the first payment thereafter made on account of rent.

MINERAL RIGHTS DUTY.

An annual tax at the rate of 1s. in the 20s. charged on the rent paid to a landowner for the right to work minerals on his land.

Excess Mineral Rights Duty is also charged at the rate of 60 per cent.

LAND VALUE TAX.

Finance Act, 1931, § 10, enacts that, subject to certain exemptions, there shall, in respect of all land in Great Britain, be charged for the financial year ending 31st March 1934, and for each subsequent financial year, a tax (called 'Land Value Tax') at the rate of 1d. for every £ of the land value of every land unit.

Provision is made in the Act for the Commissioners of Inland Revenue ascertaining the value of the land, and for production to them of the various instruments (except those recorded in any Register of Sasines).

RATES OF POSTAGE AND CONDITIONS OF TRANSMISSION.

INLAND SERVICES.

LETTERS.

Not exceeding 2 oz.	1½d.
For every additional 2 oz. or less . . .	½d.

A letter posted unpaid is chargeable on delivery with double postage; and if insufficiently prepaid with double the deficiency.

N.B.—Every letter should bear the name and address of the sender in order to ensure its return in case of non-delivery.

No letter may exceed 2 feet in length, 1 foot in width, or 1 foot in depth, or, if made up in the form of a roll, 30 inches in length and 4 inches in diameter. There is no limit of weight.

POST-CARDS.

* The prepaid rate of postage on every post-card is one penny. A post-card if posted unpaid is charged on delivery with double postage; if posted underpaid, with double the amount of the deficiency. The prepaid rate of postage on every reply post-card is twopence.

* The rates of postage in the Irish Free State differ from those in force in the United Kingdom.

The material for private cards to be used as post-cards must be ordinary cardboard or paper not less than $\frac{1}{100}$ inch thick and not more flexible than the post-cards issued and sold by the Postmaster-General. No card may exceed 5⅞ inches in length by 4⅛ inches in width, or be less than 4 inches in length by 2¾ inches in width.

Nothing may be attached to a post-card except—

(*a*) Stamps in payment of postage or stamp duty;
(*b*) A label or a slip to fold back completely adherent to the card, and bearing the name and address of the person to whom the card is sent;
(*c*) A similar label (not to exceed 2 inches long and ¾ inch wide) bearing the name and address of the sender of the card; and
(*d*) Engravings, drawings, photographs, and printed matter, on very thin paper and completely adherent to the card.

A post-card may not be folded, nor may it be cut or altered in such a way as to reduce the size below 4 inches by 2¾ inches. A post-card may not be fastened against inspection in any way, or enclosed in a cover of any kind.

If any of the foregoing rules be infringed, the card will be treated as a letter.

The articles specified in paragraphs (*c*) and (*d*) may be affixed either to the back of the card or to the left-hand half of the address side. The right-hand half of the address side is reserved exclusively for the postage stamp and the address. Contravention of this regulation may result in the card being withheld from delivery.

PRINTED PAPERS.

Not exceeding 2 oz.	½d.
For every additional 2 oz. or less	½d.

Limit of weight 2 lb.

But any printed paper prepaid one halfpenny only and intended for despatch on the day of posting must be posted not later than 4.30 p.m. in London, or in the Provinces not later than such hour as is announced at the local Post Office. The minimum rate of postage for all packets sent at the printed paper rate and intended for despatch by the night mail is one penny if posted after the specified time.

BUSINESS REPLY CARDS AND ENVELOPES.

Description.

Under this service a person, who wishes to obtain a reply from a client without putting him to the expense of paying postage, may enclose in his communication an unstamped reply card, envelope or folder. The client can post the card, envelope or folder in the ordinary way without a stamp; and the sender will pay the charges on all the replies he receives. Delivery will normally be effected once daily, by the second distribution.

Conditions.

(1) Before any person uses reply cards, etc., under this system, he must obtain a licence from The Secretary, G.P.O., London, E.C.1, through the Head Postmaster of the District in which he resides.

(2) The licensee will be required to pay in advance a sum of money (not less than 10*s.*) sufficient to cover the probable amount of the charges which will accrue during a reasonable period, and when the sum so paid is exhausted the licensee will be required to make a further payment to renew his credit. (See *P.O. Guide.*)

The specimen must be in itself without saleable value. The Sample Post must not be used, in any circumstances, for the conveyance of goods for sale or consigned in execution of an order (however small the quantity) sent from a dealer to an actual, or possible, purchaser, or for the transmission of articles from one private person to another. (See *P.O. Guide.*)

NEWSPAPERS.

The prepaid rate of postage on all papers registered at G.P.O. for transmission at the Inland Newspaper rate, including any supplements thereto, is as follows :—

Every copy not exceeding 6 oz.	**1d.**

No copy of a newspaper sent by post at the Newspaper Rate may bear anything (not being part of the newspaper) except the name, address, and description either of the sender or of the addressee or both, with index or reference numbers and letters; the words 'With Compliments'; a request for return in case of non-delivery; the title of the newspaper, and a reference to its registration for transmission by post; and a reference to any place in the newspaper to which the attention of the addressee is directed. The same regulations apply to any cover enclosing a copy of a newspaper.

EXPRESS DELIVERY OF LETTERS AND PARCELS.

The following services are provided by the Post Office :—

Express throughout (Local Service).

The charge is 6d. for every mile or part of a mile from the Office of delivery to the address. If the sender desires, a cab or other special conveyance may be used throughout, the actual fare or cost of the conveyance must be paid in addition to the mileage fee.

Cycles are used, whenever practicable, for the delivery of express packets of a size and weight suitable to be so carried.

When several packets are tendered by one sender for delivery by the same Messenger at different addresses, or to different persons at the same address, the Express Fee of 6d. a mile will be charged for the full distance to be traversed by the Messenger up to the delivery of the last packet, and an additional fixed charge of 1d. for each article above one. The sender may determine the order in which the packets are to be delivered.

When several packets are tendered for delivery to one person, the sender may, if he chooses, tie them together so as to form one packet.

All charges must be prepaid in postage stamps, to be affixed to a form provided by the Post Office for the purpose.

A packet can be given express delivery after transmission by ordinary post and receipt at the Post Office (if that office is a Telegraph Office) from which it would ordinarily be delivered. The packet is despatched from the Office of posting by the next ordinary mail despatch and receives no express treatment until it reaches the office of delivery, when it is taken out from the rest of the mail and delivered by special messengers if it is received on a week-day at a time when such messengers are available.

The word 'Express' must be boldly and legibly written above the address on the left-hand side of the cover (whether of Letter or Parcel), and in the case of a Letter the cover must also be marked with a broad perpendicular line from top to bottom, both on front and back.

Reply and Further Service.

On the delivery of an Express Packet the Messenger may be asked to perform a further service, as in respect of a packet sent by Express Messenger throughout.

Charges.

In addition to the full ordinary postage, an Express Fee of 6d. a mile, or part of a mile, from the Office of Delivery to the place of address is charged.

By Special Messenger after Receipt at Office of Delivery, at request of Addressee.

Persons or Firms who desire at any time to receive postal packets of any kind addressed to them in advance of the ordinary delivery or after the general delivery on public holidays when the office is open may have them delivered by Special Messenger on payment of the following fees, viz. :—

The full Express Fee of 6d. a mile as for one packet and a further fixed charge of 1d. for every 10, or less number, of additional packets beyond the first. If a special conveyance is found to be necessary the cost of such conveyance must be paid for. If more than one search is necessary a charge of 3d. is made for each extra search in addition to the Express fees levied when the special delivery takes place.

Applications for special delivery must be signed by the persons to whom the postal packets are addressed. Forms of application may be obtained at most Post Offices. Application may also be made by telephone.

The application should be addressed to the Postmaster or Chief Officer on duty at the Post Office from which the Letters are ordinarily delivered. Where possible, it should be delivered at the Office by hand; but where this cannot be done it may be handed in at any Post Office or posted in any Letter Box in the District served from the Office. In either of the latter cases, the postage should be prepaid by means of a three-halfpenny stamp affixed to the outside of the form. The application should, however, reach the Office on the previous evening, if it is intended to apply to the early delivery in the morning, and, if to any other delivery, an hour at least before the time at which the delivery commences.

The Express Fee on at least one packet must be prepaid in stamps affixed to the application form. All additional Fees must be paid to the Special Messenger on delivery.

Local Service.—At the General Post Office, and at the undermentioned Branch and Sub-Offices, letters, parcels, etc., are accepted for immediate delivery by Express Messenger in any part of Edinburgh and Leith or suburbs.

From the General Post Office, Edinburgh, delivery is effected at all hours day and night, except between 11.30 p.m. on Saturdays and midnight on Sundays. From 10 p.m. till 7 a.m. on week-days letters should be handed in at the North Bridge entrance.

Letters, etc., for Express Delivery from the General Post Office, may also be handed in at any of the other Local Offices, but the delivery will be less expeditious in these cases, inasmuch as the articles have first to be conveyed by ordinary collection to the G.P.O., from which they are expressed to destination. Thus an express letter or parcel handed in at Fountainbridge Post Office before 9.50 a.m. will reach the G.P.O. at 10.30 a.m., and delivery by Express Messenger will *immediately* follow.

The Express Service may also be used for obtaining letters in advance of the ordinary deliveries by Postmen.

Railex Service.

Under this service (week-days only) the Post Office undertakes the entire transmission of a Railway Letter. For an inclusive charge of 2s. 6d., any Post Office which transacts Express Delivery business will accept a letter not exceeding 2 oz. in weight, convey it to the appropriate Railway Station, dispatch it by train to a Station in Great Britain (including Jersey, Guernsey, and Douglas, Isle of Man) or Northern Ireland, arrange for a messenger to meet the train, and deliver the letter at its address.

Railway Parcels.

A parcel intended for transmission by railway may be handed in at an Express Delivery Post Office for immediate conveyance by a Post Office Messenger to a Railway Station for dispatch by train on payment of the Express Fee of 6d. a mile, together with the cost of a special conveyance if necessary. If the messenger is kept waiting at the Station for more than 10 minutes in disposing of the parcel, the Sender will become liable for the waiting fee of 2d. for each 10 minutes or portion thereof beyond the first 10 minutes.

A Railway Parcel must contain nothing in the nature of a letter.

The Sender may also pay the amount of the Railway charges for the conveyance of the Parcel, and the Messenger will hand the sum received to the servant of the Railway Company.

The Sender may also arrange for a Post Office Messenger to meet the train at the Station of Arrival and deliver the parcel.

Railway Letters for Places in the Irish Free State.

Railway letters will be accepted for transmission to Stations in the Irish Free State on the following Railways:—County Donegal; Dundalk, Newry, and Greenore; Great Northern (Ireland); Great Southern Railways; Londonderry, Lough Swilly, and Letterkenny; Sligo, Leitrim, and Northern Counties. In addition to postage at the appropriate rate a railway fee of 4d. is charged upon each railway letter sent to a station in the Irish Free State, except that in the case of letters addressed to the following ports the railway fee is 3d.:—Cork, Drogheda, Dublin, Dundalk, Dun Laoghaire, Greenore, Rosslare Harbour, Waterford.

The arrangements described above for meeting at the station of arrival by Post Office messenger and for Express Delivery from the station of address are not applicable to railway letters sent to stations in the Irish Free State, which must be addressed to a Passenger Station to be called for or to the actual residence of the addressee, with the addition of the name of the Railway Station to which the letter is to be transmitted. Further Information, see *P.O. Guide.*

A Postal Packet intended for Express Delivery in any of these countries must be marked 'Express,' and be prepaid 6d. in addition to the postage. When the addressee resides in the immediate neighbourhood of a Post Office no charge will be made on delivery, but when the place of address is beyond the limits of the ordinary Postal delivery an additional charge will be levied in the country of destination at its Inland Express rate, allowance being made for the fee prepaid by the sender. In the case of Insured Letters and Boxes, the office of destination is permitted, when its internal regulations so require, to deliver by express messenger an advice of the arrival of the packet instead of the packet itself.

Postal packets from these countries, marked for Express Delivery, and prepaid an Express Fee in addition to the postage, will be delivered by Express Messenger, subject to the same conditions as regards hours of delivery as Inland Express Postal Packets. Express Delivery is undertaken from the usual Delivery Office in London, or within a distance of one mile from the local Post Office in the provinces, without further charge, but if Express Delivery is required to be made from the General Post Office or from the Head District Office in London at an address outside the ordinary delivery of such Office or beyond a distance of one mile from the Local Post Office in the provinces, the charge will be at the same rate as for an Inland Express letter, viz., 6d. a mile, and will be collected from the addressee, but, in consideration of the fee prepaid by the sender, 6d. will be deducted from the charge for the full distance.

In the undermentioned countries within the British Empire, general correspondence will be accepted for Express Delivery in this country, although there are in those countries no arrangements for delivering by special messenger correspondence from this country, and consequently there can be no similar service in the opposite direction :—

St Helena.
St Vincent.
Sarawak.
Seychelles.
Straits Settlements.

In the case of correspondence received from these countries no part of the Express Fee will be prepaid ; but the full fee will in each case be collected from the addressee.

Such letters are called Railway Letters.

Limit of Weight and Method of Posting.

A letter intended for transmission as a Railway Letter must not exceed 2 oz. in weight, and must be taken to a Passenger Station of the Railway Company over whose line it is to be sent, and tendered, during such hours as the station is open to the public, to a servant of the Company in the Parcel Booking Office or, if that office be closed, in the Passenger Booking Office.

Special arrangements will be made for the collection of postal packets sent in considerable quantities by one person. Particulars will be furnished on application to the local Postmaster. Apart from such arrangements Postmen are not allowed in *towns* to accept from the public anything for the Post. Postal packets sent in considerable number should be handed over the Counter at Post Offices and should not be posted in Pillar or Wall Boxes.

IMPERIAL AND FOREIGN SERVICES.

(Almost all States and Colonies are now included in the Universal Postal Union.)

LETTERS.

The prepaid rate of postage on letters from the United Kingdom to other parts of the British Empire generally, Mandated Territories (except Transjordan), the United States of America, Egypt, and the British Postal agencies in Morocco is 1½d. for the first ounce, and 1d. for each additional ounce or fraction thereof ; the rate to all other places abroad, including Iraq and Transjordan, is 2½d. for the first ounce, and 1½d. for each additional ounce or fraction thereof (for detailed information see *P.O. Guide*). For the letter rate to H.M. Ships and H.M. Troops serving abroad, see *P.O. Guide.*

To a few countries exceptional conditions apply. For particulars, see *P.O. Guide.*

A letter posted unpaid or insufficiently prepaid is forwarded and charged on delivery with double the deficiency, with a minimum charge equivalent to 5 centimes (gold), unless it is addressed to a country to which prepayment is compulsory, in which case it is not forwarded, but is returned to the sender if practicable.

An unpaid or insufficiently prepaid letter from a place abroad is charged double the deficient postage; the minimum surcharge is ½d.

No letter for a British Dominion, Colony, or Possession may exceed 2 feet in length by 18 inches in width or depth.

For Foreign Countries the limit of size is 3 feet in length, breadth, and depth combined, but the greatest dimension must not exceed 2 feet.

In all cases for letters in the form of a roll, the length and twice the diameter combined must not exceed 3 feet 3 inches, and the greatest dimension must not exceed 2 feet 8 inches.

Limit of weight, 4 lb.

INSURANCE OF LETTERS.

The insurance system is applicable only to letters containing valuable paper (bank notes currency notes, bonds, coupons, securities, etc.) or valuable documents (plans, estimates, contracts, etc.). Such articles, if liable to Customs duty, may only be sent in insured letters to those countries which admit dutiable articles by letter post. Post-cards, small packets, packets of printed papers or commercial papers, sample packets or letters which contain articles other than those above-mentioned, cannot be insured. An object of value which cannot be sent in an insured letter may be generally sent either in an insured box or in an insured parcel.

A letter intended for insurance must be presented at the counter of a Post Office. It cannot be posted at a railway station, and must not be dropped into a letter box or handed to a postman or mail-cart driver.

Every letter tendered for insurance must be enclosed in a strong cover made up of one piece, and securely fastened by means of identical seals in fine wax, with spaces between, reproducing a private mark, and fixed in sufficient number to hold down all the folds of the cover.

An envelope with a black or coloured border or a transparent panel must not be used.

No labels may be affixed except those of the postal service.

POST-CARDS.

The prepaid rate of postage on Post-cards from the United Kingdom to other parts of the British Empire generally, Mandated Territories (except Trans-Jordon), the United States of America, Egypt and the British Postal Agencies in Morocco is 1d. for a single card and 2d. for a reply-paid card; the rate to all other places abroad, including Iraq and Trans-Jordan, is 1½d. for a single card and 3d. for a reply-paid card. A post-card from a place abroad, if unpaid or insufficiently prepaid is chargeable with double the deficient postage, with a minimum surcharge of ½d.

Reply-paid post-cards, of which the two halves are not fully prepaid at the time of posting, are not forwarded.

PRINTED AND COMMERCIAL PAPERS.

Postage and Definition.

The prepaid rate of postage on Printed Papers for all places abroad * is ½d. per 2 oz., and on Commercial Papers is 2½d. for the first 10 oz. and ½d. per 2 oz. thereafter.† Under the regulations of the Postal Union articles of these categories must be fully prepaid. Insufficiently prepaid Printed Papers and Commercial Papers from places abroad will be chargeable on delivery with double the deficiency (minimum charge, ½d.). Printed matter is not debarred from transmission at the Printed Paper rate on account of liability to Customs duty. Advertising matter is subject to Customs duty on entry into certain countries, notably Australia, New Zealand, South Africa, and Canada.

No Printed Paper prepaid one halfpenny only and posted in London after 4.30 p.m. or in the Provinces after such hour as is announced at the local Post Office is despatched from the office of posting on the same day.

It is permissible to enclose in the same packet printed matter (except 'blind literature'), commercial papers and samples, subject to the following conditions :—

(1) That each article taken singly does not exceed the limits which are applicable to it as regards weight and size ;

(2) That the total weight does not exceed 4 lb. per packet if addressed to a foreign country or 5 lb. per packet if addressed to a place in the British Empire ;

(3) That the minimum charge is 2½d. if the packet contains commercial papers, and 1d. if it consists of printed matter and samples.

The undermentioned are considered as Printed Papers, and allowed to pass as such at the reduced postage :—Newspapers, and periodical works, books, sewn or bound, pamphlets, sheets of music (excluding perforated sheets intended to be used with automatic musical instruments), visiting cards, address cards, proofs of printing with or without the relative manuscript, engravings, photographs, and albums containing photographs, pictures, drawings, plans, maps, catalogues, prospectuses, advertisements and notices of various kinds, printed, engraved, lithographed or mimeographed, and, in general, all impressions or copies obtained upon paper, parchment, or cardboard; by means of printing, engraving, lithography, mimeography, o any other mechanical process easy to recognis except the copying-press, hand-stamps, with o without movable type, and the typewriter.

Reproductions of a manuscript or type-written original, when they are obtained by a mechanical manifolding process (hectography, etc.) are treated like printed papers ; but, in order to pass at the reduced postage, these reproductions must be brought to the counter of a Head or Branch Post Office to the number of at least twenty packets containing precisely identical copies. The manuscript additions authorised for Printed Papers may also be made to these reproductions. Such circulars are also accepted provisionally at Town Sub-Offices and at certain of the more important Rural Sub-Offices subject to their being found to be in order when examined at the nearest Head Office to which they will be sent.

Printed papers which bear any marks whatever capable of constituting a conventional language or, save the exceptions specifically authorised below, those of which the text has been modified after printing, cannot be sent at the reduced rate applicable to printed matter. (See *P.O. Guide.*)

Commercial Papers comprise all papers and all documents, whether writings or drawings, produced wholly or partly written or drawn, not having the character of an actual and personal correspondence, such as open letters and out-of-date post-cards which have already fulfilled their original purposes papers of legal procedure, documents of all kinds drawn up by public functionaries, way bills or bills of lading, invoices, certain documents of insurance companies, copies of or extracts from deeds under private seal, written on stamped or unstamped paper, musical scores or sheets of music in manuscript, the manuscripts of works or of newspapers forwarded separately, pupils' exercises in original or with corrections, but without any note which does not relate directly to the execution of the work.

---

* Except registered newspapers, magazines, and trade journals for Canada and Newfoundland.

† If there is any mixture of Commercial and other Papers in the same packet, the whole is treated as Commercial Papers.

These documents may be accompanied by reference slips showing the following or similar particulars: list of the papers included in the packet, references to correspondence exchanged between the sender and the addressee.

Limits of Size and Weight.

The maximum dimensions are the same as for letters. Printed matter sent unenclosed in the form of a card, whether folded or not, may not be less than 4 inches in length by 2¾ inches in width. The limit of weight for the British Empire is 5 lb., and for foreign countries (including Egypt) 4 lb. Exceptionally, a printed volume for any destination sent singly may weigh as much as 6½ lb.

Make Up.

Printed Papers and Commercial Papers should be clearly marked in the upper left-hand corner 'Printed Papers' or 'Commercial Papers' as the case may be. They must be made up in such a way that they can be easily examined. They may be placed in a wrapper, upon a roller, between boards, in a case open at both sides or at both ends, or in an unclosed envelope; or they may be secured with a string easy to untie. Printed matter of the form and substance of a card may be sent unenclosed without band, envelope, or fastening. The same method of dispatch is allowed for printed papers folded in such a way that they cannot become unfolded during transmission, and that there is no risk of their entrapping other articles.

In view of the risk of other packets being entrapped when open covers are used, posters are reminded that 'embarrassing' packets generally are prohibited from the post and are recommended to use the type of cover described.

In order to secure the return of a packet which cannot be delivered, the name and address of the sender should be printed or written outside.

MAGAZINE POST FOR CANADA AND NEWFOUNDLAND.

British Newspapers, Magazines, and Trade Journals intended for dispatch to Canada by direct steamship and to Newfoundland by direct steamship or *via* Canada by direct steamship, at the following rates of postage:—

Over 2 oz. but not over 6 oz.	1d.
Over 6 oz. but not over 1½ lb.	1½d.

and for every additional ½lb. or fraction thereof up to 5 lb. (limit), ½d.

A packet intended for transmission by this post must be posted either with or without a cover or in a cover open at both ends and easily removed for the purpose of examination, and must not contain anything but properly registered Newspapers, Magazines, and Trade Journals.

No packet may weigh above 5 lb. or exceed 2 feet in length or 18 inches in width or depth.

'BLIND LITERATURE' FOR PLACES ABROAD.

Packets containing papers impressed for the use of the blind, sent to any place abroad, are accepted up to a maximum weight of 11 lb. at the following rates of postage:—

2 lb.	½d.
5 lb.	1d.
8 lb.	1½d.
11 lb.	2d.

The packets should be clearly marked in the upper left-hand corner 'Blind Literature.' In all other respects the regulations regarding printed papers apply.

SAMPLE POST.

Postage and Definition.

The prepaid rate of postage on sample packets for all places abroad is 1d. for the first 4 oz. and ½d. per 2 oz. thereafter. Under the regulations of the Postal Union sample packets must be fully prepaid. Insufficiently prepaid sample packets from places abroad will be chargeable on delivery with double the deficient postage (minimum charge ½d.).

With the exceptions specified below, the use of the Sample Post is restricted to *bona fide Trade Samples or Patterns of Merchandise* without saleable value. Transmission at the sample rate is also accorded to printers' blocks, keys sent singly, fresh-cut flowers, articles of natural history (dried or preserved animals or plants, geological specimens, etc.), tubes of serum, and pathological objects rendered innocuous by their mode of preparation and packing. These articles, except tubes of serum sent in the general interest by laboratories or institutions officially recognised, may not be sent for a commercial purpose.

No packet containing goods for sale or consigned in execution of an order (however small the quantity) can be forwarded by the Sample Post.

It is recommended that every sample should be indelibly marked 'Sample—not for sale,' or otherwise defaced in such a way as to render the article unsaleable in the ordinary way of trading.

Limits of Size and Weight.

A sample packet addressed to a British Dominion, Colony or possession, to Egypt, or to a non-Union country may not exceed 2 feet in length, and 1 foot in width or depth. A packet for a foreign country in the Postal Union (except Egypt) the maximum dimensions are the same as for letters. The limit of weight is 5 lb. for packets addressed to the British Empire generally, and 1 lb. for those addressed to foreign countries.

Mode of Packing and Addressing.

Samples must be sent in such a manner as to be easy of examination and, when practicable, must be sent in covers open at the end. The upper left-hand corner of the packet should be clearly marked 'Sample.' See *Post Office Guide.*

PARCEL POST.

Outgoing Parcels.

For postage rates and for particulars of the services to individual countries see Table of Rates. The postage must be prepaid.

The limits of size are generally 3½ feet in length, breadth, or depth, and 6 feet in length and girth combined. Any exceptions to these limits are shown in the Table against the country concerned.

The limit of weight in the Imperial and Foreign Parcel services is indicated in the Table. See *Post Office Guide.* Parcels not exceeding 15 lbs. in weight are accepted at all the more important offices throughout the country. Parcels exceeding 15 lb. in weight are accepted at the London Chief Office, London District Offices, and provincial Head Offices and at certain selected Branch Offices and Sub-Offices, but in some instances only during restricted hours or under other special conditions. Imperial and Foreign parcels may not be accepted by Postmen or Mail Cart Drivers in Rural Districts.

For method of address: The address should be written on the parcel itself, and not merely on a label. If the wrapper is of such a nature as to render impracticable the writing of the address on the cover of the parcel, a label of linen or other suitable material should be sewn on or otherwise securely affixed. In their own interests, senders should avoid labels which are liable to become detached during transit, such as tie-on labels, and paper labels of poor quality gummed to wrappers of canvas or similar fabric. It is recommended that a copy of the name and address of the sender and of the addressee be enclosed in every parcel addressed to a place abroad.

Imperial and Foreign parcels cannot be registered, but they may be insured under the conditions specified in *P.O. Guide*. No compensation is paid for damage to an article inadequately packed.

Customs Declaration and Despatch Note.

The sender of a parcel is required to make, for Customs purposes abroad—upon a special form or forms, which can be obtained at a Post Office—an accurate declaration of the nature and value of the contents and other particulars. The from or forms should be filled up in ink. Two forms of Customs Declaration are in use according to the service by which the parcel is to be sent, see *P.O. Guide*, viz. (1) an adhesive form, to be affixed to the parcel; and (2) a non-adhesive form, of which in many services more copies than one are required.

INSURANCE OF PARCELS.

General Regulations.

Insured articles have all the safeguards of the registration system; and, subject to the following regulations, compensation will be paid if an insured article or any part of its contents is lost or damaged in the post.

An insured article may not be addressed to initials or in pencil.

It may not bear any erasure or correction in the address at the time of posting.

A certificate of posting must always be obtained by the sender. Particulars of the amount for which the letter, box, or parcel has been insured should be entered on the certificate, and the sender should at once satisfy himself that the entry is correct. He may obtain an advice of the delivery of an insured letter, box, or parcel, under the conditions shown in *P.O. Guide*.

All the seals on an insured letter, box, or parcel must be of the same kind of wax (or lead or steel in the case of parcels), and must bear distinct impressions of the same private device. A coin may not be used for sealing; and the device may not consist merely of straight, crossed, or curved lines which could readily be imitated.

If an article tendered for insurance does not, in the opinion of the officer of the Post Office to whom it is tendered, fulfil the foregoing conditions as to packing and sealing, it is his duty to refuse to insure it. Nevertheless, the onus of properly enclosing, packing, and sealing the packet lies upon the sender; and the Post Office assumes no liability for loss arising from defects which may not be observed at the time of posting.

REGULATIONS AS TO PREPAYMENT, REGISTRATION, ETC.

MODES OF PREPAYMENT.

Inland letters, newspapers, and book packets can only be prepaid by means of postage stamps, except at the General Post Office, Edinburgh, Hope Street, George Street, and Leith, where inland letters, post-cards, book packets, and parcels may, from 10 a.m. to 3 p.m., Monday to Friday and 9 till 12 noon on Saturday, be prepaid in money, provided the amount be not less than 10s., and that the letters and halfpenny packets be tied in separate bundles of 5s. each, with the addresses arranged in the same direction.

REGISTRATION (INLAND AND FOREIGN).

Letters, etc., must be prepaid as regards both postage and registration fee; except official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

The fee chargeable for registration to places abroad is 3d.; and to some foreign countries a letter can be registered only to the port of arrival, it being left to the postal authorities of the country to which that port belongs to continue the registration or not as they may think proper.

Instructions for Registering.

Anything intended for registration must be handed to an Officer of the Post Office, and a certificate of posting, bearing an acknowledgment that the fee for registration and compensation has been paid, must be obtained. Nothing intended for registration should be dropped into a letter-box, and anything so posted bearing the word 'Registered,' or any other word, phrase, or mark to the like effect (*e.g.*, any abbreviation of the word 'Registered,' the letter 'R', or a rectangular cross), will be compulsorily registered.

Latest Time for Registering.

A postal packet can be registered at any time during the ordinary hours of business. When intended for despatch by a particular mail it should, as a rule, be presented for registration half an hour before the latest time of posting for that mail. At the Chief Office in Edinburgh and at all Provincial Head Offices, articles bearing a late fee of 6d., in addition to the ordinary registration fee, may be registered at any time within the half-hour referred to, if the office is open to the public.

Advice of Delivery of Registered Postal Packets.

The sender of any registered postal packet may arrange at the office of posting, either at the time of posting or subsequently, for an advice of its delivery to be sent to him. The fee is 3d., which is payable by means of stamps affixed by the sender to a form provided for the purpose.

Enquiry as to the alleged loss or non-delivery of a registered packet must also be accompanied by a fee of 3d., and should, if possible, be made upon the form used in applying for an advice of delivery. If it is found that the Post Office is in fault the enquiry fee will be refunded.

INLAND REGISTRATION AND COMPENSATION.

The ordinary registration fee for each inland letter, parcel, or other postal packet is 3d., exclusive of postage. With a further 3d. the sender may obtain advice of delivery.

Inland packets marked 'Registered' or containing coin or jewellery, if found in a letter-box, undergo compulsory registration (6d.), carrying no compensation.

Compensation for Loss or Damage.—These fees (which in each case include the ordinary registration fee of 3d.), and the respective limits of compensation, are as follows:—3d. on £5, 4d. on £20, and so on at the rate of 1d. for every additional £20, up to a limit of 1s. 11d. for £400. These fees relate to Inland Post only.

General Rules.

Unless the contrary is specifically stated, the following rules apply equally to Registered Postal Packets, Unregistered Parcels, and Express Postal Packets.

The Postmaster-General must be satisfied that the loss or damage occurred in the post, and did not arise wholly or in part by the fault of the sender, as, for instance, from insufficient packing, inadequate fastenings, detachment of 'tie-on' label, incomplete or incorrect address, etc.

The compensation paid will not exceed the value of the article lost or the amount of the damage sustained. The right is reserved of reinstating the contents of a packet instead of paying compensation.

In the case of damage or loss of contents the packet should be retained for inspection as nearly as possible in the state in which it was delivered. If complaint be made that the contents of a packet have been abstracted, the cover must be produced.

In the case of Bank Notes, Currency Notes, Money and Postal Orders, Cheques, Bonds, and similar documents, particulars sufficient for their identification must be furnished.

No compensation either for loss or for damage is paid in respect of a packet containing anything not legally transmissible by post or of a packet not posted in the manner prescribed.

No compensation is paid in respect of damage to any packet (whether sent by Letter or by Parcel Post) containing eggs, soft fruit, any liquid or semi-liquid, or any article which is composed, wholly or in part, of an exceptionally fragile or brittle material, or which from its nature or construction is peculiarly liable to damage, however carefully it may be packed. No compensation either for loss or for damage is paid in respect of a packet sent by Letter Post and containing eggs, fish, game (including rabbits), meat, fruit, or vegetables.

No compensation is paid for injury or damage consequential upon the loss, damage, delay, non-delivery, or mis-delivery of anything sent by post.

The onus of making up properly any packet sent by post, and of packing adequately any article or articles enclosed therein lies upon the sender; and the Post Office does not accept responsibility for any failure to observe defects in this respect at the time of posting.

Without prejudice to any of the preceding rules, the Postmaster-General will, if he thinks fit, refuse to pay compensation for loss or damage on any ground on which a common carrier might in like case claim exemption from legal liability.

The Postmaster-General is not legally liable for the loss, damage, delay, non-delivery, or mis-delivery of anything sent by post; and the final decision upon all questions of compensation rests with him.

In the Rules as to Registration and Compensation—

The term 'money' means and includes—

(*a*) Coin; (*b*) Paper money.

The term 'coin' means and includes coins of all kinds, whether or not current in the United Kingdom or elsewhere.

The term 'paper money' means and includes:

(*a*) Notes of the Bank of England or Bank of Ireland, or of any bank of issue in the United Kingdom, Currency Notes, and notes current in any British Possession or Foreign State;
(*b*) Money orders and postal orders;
(*c*) Unobliterated postage or revenue stamps;
(*d*) Exchequer bills, bank post bills, bills of exchange, promissory notes, cheques, credit notes which entitle the holder to money or goods, and all orders and authorities for the payment of money, whether negotiable or not; Bonds, coupons, and securities for money whether negotiable or not.

The term 'jewellery' means and includes—

(*a*) Gold, silver or platinum or other precious metal in a manufactured state; that is to say, a state in which value is added to the raw material by skilled workmanship, and in this definition are included any coins used or designed for purposes of ornament.
(*b*) Diamonds and precious stones,
(*c*) Watches, the cases of which are entirely or mainly composed of gold, silver, or platinum or other precious metal; and
(*d*) Any article of a like nature which, apart from workmanship, has an intrinsic or marketable value.

RE-DIRECTION.

All letters containing instructions as to the re-direction of letters, etc., should have written on the envelope 'Re-direction of Letters.' *Such an intimation will cause the communication to be attended to at once.*

The Post Office does not undertake the re-direction of letters, etc., for a person temporarily leaving his home, unless the house be left uninhabited, or of letters, etc., addressed to clubs, hotels, boarding-houses, or lodgings; or addressed to any premises occupied by two or more persons where the letters are delivered by postman into a common letter-box or to a common agent.

Letters, post-cards, printed papers, and newspapers are not liable to additional postage for re-direction, whether re-directed by an officer of the Post Office or by an agent of the addressee after delivery, provided that the letters are re-posted not later than the day (Sundays and public holidays not being counted) after delivery, and that they do not appear to have been opened; but if re-posted later than the day after delivery, are charged at the prepaid rate. Any which appear to have been opened will be charged as unpaid letters or packets.

Parcels are, when re-directed, liable to additional postage at the prepaid rate for each re-direction. But re-directed parcels are not subjected to additional postage if the original and corrected addresses are both within a delivery from the same Post Office, and that the re-direction is made within the period of free re-direction allowed for other classes of correspondence.

A registered letter or packet, when re-directed, must not be dropped into a letter-box, but should be taken back to the Post Office to be dealt with as a registered letter. No additional registration fee will be charged if the correspondence is presented for re-registration not later than one day after delivery; but if it is presented after that time it will be treated as freshly posted, and a fresh registration fee will be payable.

Notices of removal and applications for re-direction of letters, etc., must in all cases be duly signed by the persons to whom the letters are addressed; printed forms of notice can be obtained at the local office and the General Post Office, or from the postman. A separate notice must be filled up for parcels and telegrams. Persons who are about to change their residence should inform their correspondents beforehand of their intention.

When business premises are temporarily left unoccupied—as, for example, during local holidays—re-direction is only undertaken on payment of a fee of 5s. for each period. Re-direction of letters for the first year after removal is undertaken free. For re-direction during the second and third year after removal a fee of 1s. a year is charged for each name recorded, and 5s. a year thereafter for each name recorded.

Imperial and Foreign.—The principle of free re-direction, which is adopted throughout the Postal Union for letters, post-cards, commercial papers, printed papers, and sample packets, does not exempt from additional postage letters, etc., which, though fully prepaid for the first transmission, are re-directed to a country to which the postage is higher than that originally prepaid. Thus a letter or packet prepaid at the inland rate, sent from one place to another in the United Kingdom and afterwards re-directed to a place abroad, should have additional stamps affixed to it representing the difference between the inland and the foreign rate of postage, otherwise the difference will be charged on delivery. The same treatment would be adopted with a letter or packet fully prepaid for the inland service of a foreign country or colony and re-directed to this country. On a letter from abroad re-directed from this country the postage has to be brought up to what it would have been if the letter had been sent direct to its final destination in the first instance. A letter originally posted unpaid, or a packet of any kind posted insufficiently paid, and subsequently re-directed, though not chargeable for re-direction, is subject to surcharge on delivery. In the case of air mail packets for which re-transmission by air is desired the appropriate air postage for the second transmission must be prepaid.

A packet which appears to have been opened or tampered with will be chargeable as freshly posted and unpaid.

Whenever it may be thought necessary, a receipt may be required from the addressee of a re-directed letter or packet at the second address.

Letters for officers and other ranks of H.M. Forces on actual service are exempt from any charge for re-direction.

A packet returned to the sender that he may rectify or complete the address is not, when re-posted, treated as re-directed, but is liable to fresh postage.

A registered letter or packet, on being re-directed, may not be dropped into a Letter Box, but must be taken to a Post Office to be dealt with as registered. No additional registration fee will be charged.

Registered correspondence is subject to the same rules as ordinary correspondence as regards additional postage charges for re-direction.

PRIVATE BOXES AND BAGS.

A Private Box, into which, according to the fee paid, (*a*) all letters and postal packets other than parcels or (*b*) parcels only, or (*c*) letters and postal packets, including parcels, on hand for the renter will, except on Sundays, be sorted to be fetched by him, may be rented at the Post Office from which the delivery for the renter's house is made. A Private Bag, to be fetched by messenger from a Post Office in a town district, or in a rural district to be either fetched by messenger or delivered at the renter's house by a Post Office servant, can also be rented at any such Post Office, and into it, according to the fee paid, as in respect of Boxes, either letters or parcels or both letters and parcels on hand for the renter will be sorted. A Private Bag is locked at the Post Office before being sent out for delivery. It may be used also for posting. The bag, which must be provided with a lock, is not supplied by the Post Office.

Application for these facilities should be made through the Head Postmaster of the District, to whom all fees should be paid.

The minimum period for the use of a Private Box or Bag is twelve months, and the fees are payable annually in advance from the date on which the use of the box or bag began.

Town Districts.

The charge for a Private Box is as follows:—

I. At any Delivery Office in London, at any Provincial Head, Branch or District Office which is a Delivery Office, and at any salaried Sub-Office .. £3, 10s. 0d. a year.
II. At any other Sub-Office £2 0s. 0d. a year.

If delivery is desired at or after 6 a.m. and before the time of commencement of the first delivery or the hour of opening the office (whichever is earlier), a double fee is payable. If delivery is desired after the public office is closed at night (or after 9 p.m. at any office open after that hour) or before 6 a.m. a Night Box must be rented. The rent for a Night Box is double that for an ordinary Day Box, and is in addition to the ordinary fee for a Day Box when such is used.

The charge for a Private Bag (which must be conveyed by the renter or his agent to and from the Post Office) is 30s. a year, irrespective of its weight or the number of times at which it is made up daily. An additional fee of £1 a year is charged for each key beyond the first kept at a Post Office. Except when the Bag is used only for the posting of letters, the fee for a Private Box as well as for a Private Bag must be paid.

A Private Box or Bag may be used either for letters or for parcels, but if used for both letters and parcels a double fee is payable.

In Scotland and Northern Ireland, Inland Revenue and Fee Stamps are stocked only at certain offices specially authorised to sell them.

The hours of sale of Inland Revenue and Fee Stamps are generally 10 a.m. to 5 p.m., but are extended to meet public requirements in certain towns. An application made outside the regular hours for stamps which are urgently needed is complied with if possible. The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the office of payment as a precaution in case the Order should be lost or stolen. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Money Order Office, if that has not been already done.

Every person obtaining a Postal Order should tear off and retain the counterfoil. Its production will facilitate inquiry if Order should be lost.

If a Postal Order be crossed, payment will only be made through a banker; and if the name of a banker is added, payment will only be made through that banker.

Trunk calls for distances not exceeding 35 miles are charged for in indivisible periods of 3 minutes.

In the case of Trunk Calls for distances over 35 miles, the minimum charge as for 3 minutes applies, but any period beyond the first 3 minutes is charged for in single minutes at one-third of the 3-minute charge.

For calls to and from the Isle of Man, Isle of Lewis, and the Channel Islands, see below.

The charges for Trunk calls from places in Great Britain and Northern Ireland to the Irish Free State are (subject to the additional 'cable' charges mentioned below) as follows:—

Between	Minimum additional charges, covering a period of not more than 3 minutes.

When a call is made from a Call Office a Call Office charge is made in addition. In the case of calls for distances up to 35 miles, this charge is 2d. in respect of each 3 minutes' conversation in the daytime (5 a.m. to 7 p.m.) and each 6 minutes' conversation at night (7 p.m. to 5 a.m.). For calls over 35 miles, the Call Office charge is proportional to the number of minutes used, subject to a minimum of 2d. for the first 3 minutes.

The minimum charge covers a period of conversation of 3 minutes, commencing from the time when the caller or subscriber has been informed that the connexion is completed; but any caller, by prepaying the appropriate charge, may secure the option of extending a call beyond 3 minutes.

When the option of extending a call has been asked for by a caller, and the call is completed within the full period for which the charge has been deposited, the charge for the unused period will be refunded (subject to the minimum charge as for 3 minutes).

Personal Call Service.

Calls for a specified person can be booked on payment of a small additional charge. The caller may, if he wishes, specify (instead of a person), a business or an unnamed official or the reference code from business correspondence, *e.g.* 'AB/C 1234.' He may also, if he wishes, name a substitute for the person wanted or alternatively may give the numbers of two telephone stations in the same locality where the person wanted may be found, *e.g.*, at his office or his home. A personal call will be connected only when the person required (or a substitute acceptable to the caller) is ready to speak at the distant end. If the required person cannot be obtained at first, the caller will be informed of the position and may either tell his exchange to leave his call for completion later after further efforts have been made to find the person wanted, or cancel the call. If a personal call is cancelled before the person required is found, or if it cannot be completed owing to the absence of the person required or to inability to trace him, only the additional charge (known as the 'personal' charge) will be payable.

Note.—In the afternoon and evening this charge is only 6d. (*See below.*) If the originator of a call after being advised that the wanted person is not available asks to speak to anyone at the distant station, the 'personal' charge and the normal appropriate call charge would be payable.

The additional charges for personal calls, which are the same whatever the duration of the call, are :—

9 a.m. –2 p.m.	2. p.m.–9 a.m.
1s. 0d.	0s. 6d.

Fixed Time Trunk Calls.

Facilities are offered to telephone subscribers and to callers at Attended Call Offices for booking Trunk Calls to be effected at or about a specified time, subject to prior notice and the payment of a special charge.

Use of Telephone for sending Express, Air Mail and Ordinary Letters.

A subscriber may telephone messages to many post offices to be written down and dealt with as express, air mail or ordinary letters. Similarly the public may dictate such letters from many Telephone Call Offices where Trunk Calls are accepted.

For further information regarding Telephone Service, see *P.O. Guide.*

TELEPHONE SERVICE WITH SHIPS AT SEA.

Atlantic Direct Service.

Telephonic communication is available with the following ships:—*Aquitania*, *Berengaria*, *Bremen*, *Cap Arcona*, *Columbus*, *Duetschland*, *Empress of Britain*, *Europa*, *Hamburg*, *Hansa*, *Homeric*, *Ile de France*, *Leviathan*, *Majestic*, *New York*, *Normandie*, and *Transylvania.*

The service is available daily, except Sundays, from 12 noon to 8 p.m., but the periods of communication with any individual ship vary with the ship's position. Calls may be booked at any time for completion during the hours of service.

'Limited Duration' calls are available (see *P.O. Guide*).

POST OFFICE TELEGRAPHS.

The charge for telegrams throughout the United Kingdom is 6d. for nine words (in the Irish Free State, 1s. 6d. for twelve words), including the address, and 1d. for each additional word.

Telegrams handed in on SUNDAY will be charged 6d. extra.

Multiple Address Telegrams.

A telegram will be delivered at two or more addresses in the same free delivery on prepayment of the ordinary telegram charge for the total number of words in the addresses and text in addition to a charge of fourpence for every copy beyond the first. Each address must be complete in itself.

Mode of Delivery and Porterage Charges.

Telegrams are delivered free of charge within three miles (one mile in the Irish Free State) of the Delivery Office nearest the address, which is called the Terminal Office; and when that office is a Head Post Office no charge is made for delivery within the town postal delivery area even if that extends beyond the ordinary limits of free delivery.

When the address is beyond the limit of free delivery, porterage is charged at the rate of 6d. a mile or part of a mile, the distance being calculated from the limit of free delivery.

When the usual delivering office is closed, telegrams may at the request of the sender be delivered from another office; but a porterage charge of 6d. a mile, calculated from the door of the delivering office, must be prepaid unless the address is within the town postal delivery of that office.

The sender is liable for porterage charges on telegrams other than those for places in the Irish Free State; and, when the address is not within the free delivery, he must, if he can, state the distance and pay the porterage in advance. When the exact distance is not known a deposit must be paid. The list of Post Offices gives the approximate distances of Post Offices more than three miles from an office from which telegrams are delivered. This information will furnish some guide in computing porterage charges. Should the sender underestimate the charge, the deficiency is collected on delivery, and should he pay too much, the excess is refunded. Porterage is not prepayable in respect of telegrams for the Irish Free State.

Prepayment of Replies.

The cost of a reply, not exceeding forty-eight words, may be prepaid. The charge for the reply is at the ordinary telegraph rate, and the minimum charge is 6d. for 9 words (I.F.S., 1s. 6d. for 12 words).

(The charges on telegrams from the Irish Free State to the United Kingdom are the same as those on telegrams in the reverse direction.)

A Reply Form will then be delivered to the addressee, who will be at liberty to use it for any inland message (including Night Telegraph Letters) at any time within twelve months. If the Form be not used, its value will be refunded from Headquarters to the sender of the original telegram if he applies and sends the Form within twelve months to the local Postmaster. When a reply-paid telegram is delivered by telephone and a reply is dictated at once the Form is used in payment for the reply; but if a reply is not so sent the Form is posted with the confirmatory copy of the telegram, and it may be used in part payment of the subscriber's telephone account.

By ringing up 'Telegrams,' telegraph messages may be sent direct to the Telegraph Room at the G.P.O. for onward transmission.

NIGHT TELEGRAPH LETTER SERVICE.

Night Telegraph Letters may be sent to addresses in Great Britain or Northern Ireland, and to the following towns in the Irish Free State, viz., Cóbh (or Queenstown), Cork, and Dublin.

They may be accepted at any time up to midnight by telephone, or at any post office which is open. If handed in at a post office, the messages should be written on an ordinary telegram form and the words 'Telegraph Letter' should be inserted immediately before the name of the addressee. No charge is made for the words 'Telegraph Letter.'

They will be delivered on the next week-day, either by the first postal delivery, or by special messenger shortly afterwards.

The rate is 1s. (1s. 6d. for an address in the Irish Free State) for 36 words or less, and 1d. for every 3 words beyond 36. A night telegraph letter may be sent reply-paid, and its recipient may use the reply-voucher either for a night telegraph letter or for an ordinary telegram.

The message must be in plain language, and must bear a full postal address. Registered abbreviated addresses and telephonic addresses are not admissible.

A Night Telegraph Letter will be delivered at two or more addresses all in the same place or free delivery on prepayment of the ordinary Night Telegraph Letter charges for the total number of words in the addresses and text in addition to a charge of fourpence for every copy beyond the first. Each address must be complete in itself. The whole of London will for this purpose be regarded as within the same free delivery.

G.P.O., EDINBURGH, ALWAYS OPEN.

General Description and Countries Served.

Picture telegrams include pictures and photographs (positive or negative) and also drawings, plans, printed, typed, or written matter, documents, shorthand, etc. They are telegraphed in facsimile from London to a number of the principal European centres. They may be posted thence to other places.

(ii Through coast stations abroad.

B. *For ships equipped with long range apparatus.*

(i) Through Portishead Radio to ships fitted for *long wave* transmission and reception, *i.e.*, those ships against the name of which a charge is shown. See *P.O. Guide.*

Messages can be exchanged with these ships when at sea up to a distance of about 2000 miles from the British Isles. (In the case of certain ships engaged on regular voyages the number of days' voyage from the British Isles during which communication can be effected through Portishead Radio is indicated by the figure in brackets. See *P.O. Guide.*

Particulars of how to dictate by telephone a radiotelegram for a ship at sea are given in the section of the Preface to the Telephone Directory headed " Telegrams by Telephone."

Radiotelegrams may also be telephoned direct to a coast station. If a trunk fee is involved this will be payable in addition to the cost of the radiotelegram.

CHARGES AND INFORMATION, see *P.O. Guide.*

† *Lists of ships in the different classes and further details of the services are given in the Post Office Guide, or enquiries may be made at any Post Office.*

INLAND CASH ON DELIVERY SERVICE.

Letter Post and Parcel Post.—The value of an article sent by Registered Letter Post or by Registered or Unregistered Parcel Post can, on certain conditions, be collected from the addressee by the Post Office and remitted to the sender by means of a Special Order. (The service is also applicable, with certain limitations set forth below, to consignments conveyed by Railway.) A parcel need not be registered, but may be registered if desired ; all packets sent by Letter Post must, however, be registered.

Packets or parcels may be posted at any Money Order Post Office for delivery at any address in the United Kingdom, including the Channel Islands and the Isle of Man. The service does not apply to the Irish Free State in either direction.

The amount to be collected on delivery, called the Trade Charge, must not exceed £40 and must not contain a fractional part of 1d.

A C.O.D. packet or parcel is normally delivered by postman against payment of the Trade Charge. If, however, the Trade Charge exceeds £10, the packet or parcel is kept at the Post Office and notice of its arrival is sent to the addressee ; and the addressee is required to pay the Trade Charge at the Post Office, when the packet or parcel will be handed over, or subsequently delivered by postman. Post Office servants are strictly forbidden to give up a C.O.D. packet or parcel, or to open it at the request of the addressee, or to allow the addressee to open it, until the Trade Charge and any other charges due have been paid. No receipt is given for a Trade Charge. A Trade Charge, once collected, is in no circumstances refunded to the Addressee.

The C.O.D. fees, which are additional to the ordinary parcel postage, and the Registration Fee, are as follows :—

Trade Charge not exceeding	Fee.
10s.	4d.
£1	6d.
£2	8d.
£5	10d.
£10	1s.

and 2d. for each additional £5 or fraction of £5 up to the maximum of £40.

The sender must write in ink on the cover of the packet or parcel :—

(1) The name and address of the addressee ;
(2) His own name and address ;
(3) The amount of the Trade Charge ;

and to fill up in ink the special Trade Charge Form which will be handed to him.

The stamp or stamps in prepayment of the Cash on Delivery fee must be affixed to the counterfoil of the Trade Charge Form in the space provided.

A certificate of posting will be given for registered packets and parcels and, if desired, for unregistered parcels, as in the case of an ordinary parcel. The letters ' C.O.D. ' should be written by the counter officer in front of the address on the certificate and the sender should satisfy himself that this has been done before accepting the certificate.

The Trade Charge will be remitted to the sender of the parcel by means of a ' crossed ' Order. This Order will not be negotiable ; but special arrangements are made to meet the convenience of payees who have no banking-account.

The regulations which govern the payment of compensation for the loss or damage of a Cash on Delivery packet or parcel are the same as those prescribed for packets and parcels not sent by the Cash on Delivery services. The maximum limit of compensation for the loss or damage of an unregistered Cash on Delivery parcel is therefore £2. The amount of compensation paid for the loss or damage of registered packets and parcels, including those sent under the Cash on Delivery system, is determined by the amount of the registration fee paid (see *P.O. Guide*). When application is made respecting a Cash on Delivery packet or parcel or the payment of a Trade Charge, the number of the relative Trade Charge Form should always be quoted.

APPLICATION OF C.O.D. SYSTEM TO CONSIGNMENTS CONVEYED BY RAILWAY.

Arrangements have been made with the Railway Companies for extending the C.O.D. service to consignments despatched by railway. A person wishing to send a consignment by rail under the system must obtain from a Money Order Post Office a Combined Address Label and Receipt Form for each article or package to be sent. If a truckload of goods is sent by one sender to one consignee two forms only are necessary, one for each side of the truck. This Form, which is supplied free of charge, consists of a double address label, and a detachable receipt. The appropriate particulars must be entered in the address and receipt portions of the Form by the sender. The address portion must be detached and securely affixed to the article or package (except in the case of truckloads). The sender must hand the article or package to the Railway Company against a signature or stamp on the receipt portion. The receipt portion must then be despatched immediately by the sender to the consignee as a C.O.D. registered letter: it is advisable to write above the top left-hand corner of the address, preferably in Red ink, the words 'Railway Receipt.' The C.O.D. letter will be delivered to the consignee on payment of the Trade Charge, and the consignee must surrender the receipt to the Railway Parcels or Goods Agent to whom the consignment is directed, to obtain possession of it.

Further particulars may be obtained on application at any Money Order Post Office.

LETTER AIR MAIL SERVICES.

I.—**Letter Air Mails.**—1. Any kind of letter packet may be sent by Air Mail, including small packets for those countries which participate in the small packet service. (See *P.O. Guide.*), but printed papers, commercial papers, and samples must be prepaid at the rates for letters except where otherwise indicated in the Air Mail leaflet. The limits of size and maximum weight are the same as for similar correspondence sent by ordinary post. Air Mail letters can be accepted for registration, but insurance is limited to letters and boxes for Holland and Switzerland. The ordinary arrangements for express delivery and the use of the green label system (for articles liable to Customs duty) apply.

2. A special blue Air Mail label must be affixed to the top left-hand corner of every Air Mail packet. These labels may be obtained free of charge at any Post Office. Letters bearing a manuscript indication 'By Air Mail' will be accepted, but the absence of an Air Mail may lead to delay.

3. Stamps to the full value of the postage (see below) must be affixed at the top right-hand corner of the address side of the envelope. Special attention is drawn to the fact that the rates of postage for letters for countries outside Europe are for a weight of half an ounce.

A letter containing more than the ordinary double sheet of notepaper is likely to be over half an ounce in weight.

4. Air Mail correspondence for H.M. ships abroad must be addressed definitely to a port.

5. Particulars of the letter air mail services available are given below. For latest times of posting apply at local Head Post Office.

6. Correspondence can be sent by Air Mail, if the sender so desires, to countries not directly served by the letter air services upon prepayment of the air postage, as shown, to the country through which the correspondence is to be forwarded. Correspondence sent by this means must be superscribed to indicate the poster's intention, *e.g.*, 'By Air to Karachi.'

7. Messages intended for delivery as Air Mail Letters may be telephoned to most Head Post Offices, the Central Telegraph Office in London, and also to Croydon Aerodrome Post Office in order to catch an outgoing Air Mail.

II.—**Parcel Air Mails.**—8. The General Regulations of the Imperial and Foreign Parcel Post apply, *e.g.*, as regards maximum weight and dimensions, Customs Declarations and Despatch Notes, Supplemental Services, Compensation, etc. —on which points *see* the *Post Office Guide.* Air parcels cannot however be insured except in the case of those for Holland and Switzerland.

9. Accepting Offices.—Air parcels may be posted at any Post Office which accepts parcels for places abroad. Air parcels exceeding 15 lb. in weight are accepted at the same Offices and under the same conditions as similar parcels for transmission by ordinary post.

10. A special blue Air Mail label must be affixed close to the address label of the parcel (close to each address if the parcel is addressed in more than one place) and to the relative Despatch Note, if there is one, and, in the case of Cash on Delivery parcels, to the Trade Charge card. The words 'Air Mail' should also be written conspicuously on the cover of the parcel. The sender must also prepay, in the usual way, the appropriate rate of postage as shown.

11. In addition to rapid transit by air, an air parcel is usually given speedy Customs clearance abroad. It is important, in order that these advantages may not be thrown away, that the relative Despatch Notes and Customs Declarations should be very carefully completed in accordance with the general regulations.

12. Particulars of the air parcel service available are given. For latest times of posting apply at local Head Post Office.

At this establishment all requirements can be promptly satisfied with the minimum of trouble and expense, for this is a Butcher's service which can only be described as thoroughly comprehensive. Every kind of High Class Meat is supplied, and customers may rest assured that for quality these supplies are absolutely First Class. The premises are well equipped so that all goods are handled and maintained under perfectly hygienic conditions, whilst a rigid standard of scrupulous cleanliness is steadfastly adhered to at all times.

With quality and freshness assured, one may turn one's attention to prices. These are kept as low as possible, and, when the excellence of the service is considered, are undoubtedly extremely moderate and reasonable.
